ABOUT ME

I am a recent graduate with a Bachelor of Science in Information System from STI College Cauayan, Inc. I successfully completed my degree program and graduated on July 14, 2023. Throughout my academic journey, I developed a strong foundation in web development, with skills in HTML, CSS, JavaScript, and basic React. I am eager to learn and continuously improve my knowledge in the field of web development.

Besides my technical skills, I am also proficient in using Microsoft Office applications, and I have experience in basic video and photo editing. Moreover, I have acquired knowledge in basic computer troubleshooting, allowing me to handle technical issues effectively.

I am a dedicated and hardworking individual, capable of working both independently and collaboratively in a team. I am passionate about technology and always stay updated with the latest trends and advancements in the industry.
